

# CAREER BOOT CAMP

Serious Career Coaching  
for anyone in career  
transition or ready to make  
a strong career move

## Three Options ~ One is Right For YOU!

### Career Boot Camp

#### **A Self-Directed Guide through Career Transition**

Some individuals need a full career coaching program that covers all the bases with the flexibility of doing it at your own pace. Others are seeking an alternative to the investment of thousands of dollars for the typical 3, 6 or even 12 months of a formal career coaching program. Career Boot Camp is a self-directed, comprehensive course that guides you through a structured, career transition management process, using tested coaching principles and exercises. [Click here](#) for a more detailed description of Career Boot Camp.

**\$495** plus shipping includes an initial “jumpstart” consultation and four 30-minute check-ins with your career coach.

### Career Boot Camp PLUS

#### **Kick Your Self-Directed Boot Camp Up A Notch**

Need additional support with networking, defining your focus, preparing for an interview, or any other module(s)?

**\$995** includes Career Boot Camp, PLUS four hours of individual career coaching in the area(s) of your choice. Whether it's four, one-hour sessions or a half-day session, we'll work together to come up with the best coaching “boost” for your specific needs. [Payment option of two equal installments of \$513 each is available]

### Personal Career Boot Camp

#### **Career Boot Camp “Personal Trainer”**

**\$1,495** includes Career Boot Camp, PLUS:

- 45 minutes of individual coaching for each module
- A professionally written and designed resumé
- A mock interview, feedback and preparation session

[Payment option of two equal installments of \$770 each is available]
